Subject: Johnnie Armstrong

Mr. Blackwell,

Thank you for your commitment to honoring those that have made a significant impact on sports in Mississippi.

Miss Johnnie Armstrong was a pioneer in bringing sports to the forefront in our state and beyond. It was because of her relentless efforts, especially in the early years, that opportunities in athletics exist today.

Please consider her for induction into the Mississippi Sports Hall of Fame. It means a lot to honor those that came before us.

Thick you for your time.
