

Memorandum from the Desk of Hill Denson

7/30/23

To: Mississippi Sports HOF Selection Committee

Subject: Nomination of Coach Bobby Halford, William Carey University Baseball

I would like to recommend that Bobby Halford, head baseball coach at William Carey University, be inducted into the 2024 class of the HOF.

Bobby has been the coach at WCU for a very long time and has always been known for his super competitiveness. The number of wins he has is astounding (1300).

He produces winning teams every year. He is well thought of nationally, and especially by all of NAIA Baseball.

As an opposing team coach, I know that every time you play a Bobby Halford coached team you are in for a battle. You better have your belt "hitched up tight".

Please consider Bobby when you guys meet to select next year's class.

He certainly belongs in our HOF.

Thank you.
