Mr. Blackwell,

I am writing this letter of recommendation for Coach Ronnie Mayers to recommend Coach Ronnie Mayers for the MS Sports Hall of Fame. Coach Mayers is an outstanding Coach and has done a tremendous job with the swimming and diving program at Delta State University. He is very well known and a huge part of our community. I truly believe that no one deserves it more than Coach Mayers. As a student at Delta State, Coach Mayers taught me to lifeguard and shared his love for the sport of swimming, I to this day still share my love for swimming as I still teach others how to swim and share the wonderful facility that Delta State has for it's swimming program that Coach Mayers worked so hard to have built.

I truly hope that Coach Mayers gets the chance to be a part of the elite group of Hall of Fame members of our great state and gets that credit that he truly deserves.

Sincerely,

Lynn Ouzts Smither
