To Whom It May Concern,

Please accept my highest recommendation for Ms. Lauren Hall, who has been nominated to the Mississippi Sports Hall of Fame.

I have known Lauren and her family for many years. Since 1996, Lauren has competed on numerous sports teams and been active in her community. She has always been a devoted athlete and team member, playing all-county basketball, setting records for her school's track team, and competing in the Grand Prix in Gatineau, Canada.

A quick glance at Jessica's resume makes it clear that she is an accomplished athlete who gives back to her community. She is a four-time world champion cyclist, a national champion in track, and a champion in road athletics. Lauren serves on the USA Cycling Foundation and as a Sports Director for the Fast Chance Cycling Project. Her volunteer service and many accolades add to an already impressive resume.

I believe Lauren has the talent, success, and commitment to be inducted into the Mississippi Sports Hall of Fame. I hope you will recognize her accomplishments and give her application for induction every favorable consideration. Please do not hesitate to contact me if I can provide further assistance on this or any other matter.

With best wishes, I am

Sincerely yours,

Roger F. Wicker
