Dear Mississippi Sports Hall Of Fame:

I am reaching out to you to recommend Bobby Halford to the Mississippi Sports Hall of Fame. I am very honored to be writing this letter on behalf of a man who changed my life forever and more than likely hundreds if not thousands of others who have played for him or been around him.

Coach Halford is a living legend. I am so fortunate to have been able to play for him at William Carey University. What he single handedly has done for that program is nothing short of incredible. I can coach today because of the values he has instilled in me. More than anything, his ability to mold men and get them to overachieve through his entire career of nearly 4 decades in Hall of Fame worthy.

No one in the state of Mississippi has done more with less and no one has more pride in baseball in Mississippi than Bobby Halford. Loyalty, passion, determination are just some of the words I would use to describe this baseball man. He is also a man of God. He has built a ballpark from scratch at a place with little resources. He has won numerous conference titles and taken Carey to the NAIA World Series.

It is without any hesitation that I recommend Coach Bobby Halford to the Mississippi Sports Hall Of Fame. I cannot think of a more deserving sports figure that truly exemplifies the history of sports in Mississippi than Bobby Halford.

Sincerely,

Seth Thibodeaux
